

MESSAGE FROM THE CHIEF OF POLICE

Dear Citizens,

As Chief of Police, I would like to thank each member of the community for your continued support of the Spring Valley Village Police Department as we strive to build trust, engage with our community, and drive positive outcomes in public safety. Each day, our officers work to fortify the strong tradition of ethics, integrity, and transparency that has been pervasive in our organization since inception. Through the collaborative efforts of the department and the vigilance of our residents, the City of Spring Valley Village was voted the safest suburb in Harris County, second only to the City of Sugarland, located in Fort Bend County.

Our agency endeavors to be as transparent as possible in an effort to facilitate constant communication between the department and the citizens, helping to maintain positive community relations. Each month I will personally disseminate to the public information regarding any major crimes that occur, while remaining within the confines of the law. The information will include felony crimes against persons (e.g. murder, rape and assault) and any major crime affecting our citizenry. This material is intended to supplement the monthly crime statistics posted by our agency. I am happy to report; no significant event or felonies (major crimes) occurred during the month of April. Thank you to each resident for being the eyes and ears of the community, helping to deter crime in our city.

The Spring Valley Village Police Department is committed to taking all actions necessary to provide a safe and secure environment for our citizens. In the event of any criminal activity occurring in real time, that in the judgement of the agency constitutes an ongoing or continuing threat to the community, immediate notification will be made to our residents.

I am honored to serve as your Chief of Police and grateful for the support that has been extended to our agency by the elected officials and our residents. I want to encourage anyone wishing to speak with me directly, to contact the Police Department at (713) 465-8323. I am also available by email: Levans@springvalleytx.com. I look forward to hearing from you.

Sincerely,

Loyd Evans
Chief of Police
